How the service works

The school's coach routes to Heathrow, Paddington and Birmingham Airport are run for us by GTMatrix, an experienced operator of private school travel.

- All coaches are accompanied by a uniformed chaperone. Chaperones are Enhanced DBS-checked, first aid trained and are highly experienced, locally-based individuals.
- All GTMatrix staff wear a red liveried jacket making them easily recognisable.
- All travel is charged to your school account. No cash is necessary.
- Luggage should be limited to TWO suitcases and TWO hand luggage items because of the capacity of the lockers under the coach. Should a student arrive with excess luggage which can't fit on to the coach, this may be carried in a taxi and charged.

Heathrow Airport

Heathrow is staffed on Malvern travel days by GTMatrix's 'Airport Guardians' team who wear the same red jackets and are at the airport all day to orientate the students and provide any assistance needed.

The meeting point for coach travel is Terminal 2 arrivals. Travel from Terminal 5 to 2 is free using the train. Call Airport Guardians for assistance if required.

Maps and an airport guide can be downloaded from the GTMatrix website:

COVID-19 Provisions

All coaches are COVID cleaned prior to each journey. Drivers and chaperones wear masks and sanitiser is provided on board.

Coach loading follows government guidelines for coach operators with boarding from the rear seats forwards, alternate seats occupied staggered row by row.

The coach chaperone ensures safe loading and disembarking and COVID appropriate behaviour during the journey.
