

MALVERN

COLLEGE

RECRUITMENT, SELECTION AND DISCLOSURE POLICY AND PROCEDURE

Introduction

Malvern College (**College**) is committed to providing the best possible care and education to its pupils and to safeguarding and promoting the welfare of children and young people. The College is also committed to providing a supportive and flexible working environment to all its staff. The College recognises that, in order to achieve these aims, it is of fundamental importance to attract, recruit and retain staff of the highest calibre who share this commitment.

The aims of the College's Recruitment Policy are as follows:

- to ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position;
- to ensure that all job applicants are considered equally and consistently;
- to ensure that no job applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age;
- to ensure compliance with all relevant legislation, recommendations and guidance including the Education (Independent School Standards) Regulations 2014 (**ISSRs**), the statutory guidance published by the Department for Education (**DfE**), Keeping Children Safe in Education – September 2021 (**KCSIE**), Disqualification under the Childcare Act 2006 (**DUCA**), the Prevent Duty Guidance for England and Wales 2015 (the **Prevent Duty Guidance**) and any guidance or code of practice published by the Disclosure and Barring Service (**DBS**); and
- to ensure that the College meets its commitment to safeguarding and promoting the welfare of children and young people by carrying out all necessary pre-employment checks.

Employees involved in the recruitment and selection of staff are responsible for familiarising themselves, and complying, with the provisions of this policy.

All members of the Human Resources team, as well as other key staff, are Safer Recruitment trained and applicants are made aware during the recruitment process of the importance that Malvern College places on Child Protection and Safeguarding and that all staff are

Date of Policy: August 2021

Next review: September 2022

Owner: Kate Tripp, Director of HR

expected to play a full and active part in safeguarding and promoting the welfare of our pupils.

Data protection

The College is legally required to carry out the pre-employment checks detailed in this procedure. Staff and prospective staff will be required to provide certain information to the College to enable the College to carry out the checks that are applicable to their role.

The College will also be required to provide certain information to third parties, such as the Disclosure and Barring Service and the Teaching Regulation Agency. Failure to provide requested information may result in the College not being able to meet its employment, safeguarding or legal obligations. The College will process personal information in accordance with its Staff Privacy Notice.

Recruitment and selection procedure

All applicants for employment will be required to complete an application form containing questions about their academic and employment history and their suitability for the role. Incomplete application forms will be returned to the applicant where the deadline for completed application forms has not passed. Should there be any gaps in academic or employment history, a satisfactory explanation must be provided. A curriculum vitae will not be accepted in place of the completed application form.

Applicants will receive a job description and person specification for the role applied for. Application forms, job descriptions, person specifications, this policy and the College's child protection policy are available to download from the College's website and can be printed and forwarded to applicants on request].

The College will then conduct a shortlisting exercise by reviewing all application forms received in order to determine which applicants will be invited for interview. The shortlisting exercise will usually be conducted by two members of staff who will ideally also be involved in the interview process].

Shortlisted applicants will be invited to attend a **formal interview** at which their skills and experience will be discussed in more detail. All shortlisted applicants will be tested at interview about their suitability to work with children.

All shortlisted applicants will be required to complete a self-declaration form prior to interview in which they will be asked to provide information about their criminal records history and other factors relevant to their suitability to work with children. This information will be considered and discussed with applicants at interview.

Pre-employment checks

In accordance with the recommendations set out in KCSIE and the requirements of The ISSRs and the *Boarding Colleges: National Minimum Standards* the College carries out a number of pre-employment checks in respect of all prospective staff.

In addition to the checks set out below, the College reserves the right to obtain such formal or informal background information about an applicant as is reasonable in the circumstances to determine whether they are suitable to work at the College. This may include internet and social media searches.

In fulfilling its obligations the College does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

If it is decided to make an offer of employment following the formal interview, any such offer will be conditional on the following:

Verification of identity, right to work in the UK and address

All applicants who are invited to an interview will be required to bring with them evidence of identity, right to work in the UK, address and qualifications. The College asks for this information at interview to ensure that the person attending interview is who they claim to be, that they are permitted to work for the College if appointed and that they hold appropriate qualifications.

Identity and address: all applicants must bring with them to interview, original documents which evidence their identity and address. Where an applicant claims to have changed their name by deed poll or any other means (e.g. marriage, adoption, statutory declaration) they will be required to provide documentary evidence of the change. They will also be required to provide their birth certificate

The College asks for the date of birth of all applicants in order to verify identity and check for any unexplained discrepancies in the employment and education history. The College does not discriminate on the grounds of age.

Right to work in the UK: all applicants must also bring to interview a valid form of evidence which confirms their right to work in the UK. Valid forms of evidence can be found in the Home Office 'Right to Work Checklist': (Right to work checklist (publishing.service.gov.uk)).

The College will check this evidence in accordance with the Home Office 'Code of Practice on preventing illegal working: Civil penalty scheme for employers: 1 July 2021' (Code of practice on preventing illegal working (publishing.service.gov.uk)).

Qualifications: all applicants must also bring to interview original documents which evidence any educational and professional qualifications referred to in their application form and / or which the College requests.

References

All offers of employment will be subject to the receipt of a minimum of two references which are considered satisfactory by the College. One of the references must be from the applicant's current or most recent employer. If the applicant's most recent employer is not from the education sector then the second reference must confirm employment in the sector, where this is applicable to the applicant's employment history. Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children.

If the referee is a current or previous employer, they will also be asked to confirm the following:

- the applicant's dates of employment, salary, job title / duties, reason for leaving, performance, sickness* and disciplinary record;
- whether the applicant has ever been the subject of disciplinary procedures involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired), except where the issues were deemed

to have resulted from allegations which were found to be, unsubstantiated, unfounded, false or malicious; and

- whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or young people or behaviour towards children or young people, except where the allegation or concerns were found to be unsubstantiated, unfounded, false or malicious.
- whether the applicant could be considered to be involved in “extremism” (see below)

(*questions about health or sickness records will only be included in reference requests sent out after the offer of employment has been made.)

The College will only accept references obtained directly from the referee and it will not rely on references or testimonials provided by the applicant or on open references or testimonials. All electronic references received will be confirmed that they are from a legitimate source and verified.

The College will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information will be taken up with the applicant and the relevant referee before any appointment is confirmed.

Where a reference is not received prior to interview it will be reviewed upon receipt. Any discrepancies identified between the reference and the application form and/or the interview form will be considered by the College. The applicant may be asked to provide further information or clarification before an appointment can be confirmed.

If factual references are received i.e. those which contain limited information such as job title and dates of employment, this will not necessarily disadvantage an applicant although additional references may be sought before an appointment can be confirmed.

The College may, at its discretion, make telephone contact with any referee to verify the details of the written reference provided.

References will be sought for candidates who are already employed by the College that apply for roles internally. The reference must be from a senior person with appropriate authority. All references received from a College must be countersigned by the Head of that College.

All internal candidates who apply for a new role at the College will have their application assessed in accordance with this procedure. References may be taken up on internal candidates as part of the application process and can be provided by colleagues as the College will be the most recent employer and will previously have taken up references from past employers.

DBS filtering rules

With effect from 29 May 2013, the DBS commenced the filtering and removal of certain specified information relating to old and minor criminal offences from all criminal records disclosures. The filtering rules developed by the DBS and the Home Office designate certain spent convictions and cautions as "protected".

“Protected” convictions and cautions are not included in a DBS certificate and job applicants are not required to disclose them during the recruitment process. It is unlawful for an employer to take into account a conviction or caution that should not have been disclosed. If a protected conviction or caution is inadvertently disclosed to the College

during the recruitment process it must be disregarded when making a recruitment decision.

A conviction will always be disclosable if it was imposed for a "specified offence" committed at any age. A caution issued for a "specified offence" committed over the age of 18 will always be disclosable. However, a caution issued for a "specified offence" committed under the age of 18 is never disclosable. "Specified offences" are usually of a serious violent or sexual nature or are relevant for safeguarding children and vulnerable adults. The list of "specified offences" can be found at:

<https://www.gov.uk/government/publications/dbs-list-of-offences-that-will-never-be-filtered-from-a-criminal-record-check>

The filtering rules have recently been updated and work as follows:

For those aged 18 or over at the time of an offence

A spent criminal conviction for an offence committed in the United Kingdom when a person was over the age of 18 will not be disclosed in a DBS certificate (and does not have to be disclosed by the job applicant) if:

- a) eleven years have elapsed since the date of the conviction;
- b) it did not result in a custodial sentence; and
- c) it was not imposed for a "specified offence".

A spent caution for an offence committed when a person was over the age of 18 will not be disclosed in a DBS certificate (and does not have to be disclosed by a job applicant) if:

- a) six years have elapsed since the date it was issued; and
- b) it was not issued for a "specified offence".

For those aged under 18 at the time of an offence

A spent conviction for an offence committed when a person was under the age of 18 will not be disclosed in a DBS certificate (and does not have to be disclosed by a job applicant) if:

- a) five and a half years have elapsed since the date of the conviction;
- b) it did not result in a custodial sentence; and
- c) it was not imposed for a "specified offence".

A caution issued for an offence committed when a person was under the age of 18 will never be disclosed in a DBS certificate (and does not have to be disclosed by a job applicant).

Regulated activity

The College applies for an enhanced disclosure from the DBS and a check of the Children's Barred List (now known as an Enhanced Check for Regulated Activity) in respect of all positions at the College which amount to "regulated activity" as defined in the Safeguarding Vulnerable Groups Act 2006 (as amended). The purpose of carrying out an Enhanced Check for Regulated Activity is to identify whether an applicant is barred from working with children by inclusion on the Children's Barred List and to obtain other relevant suitability information. Any position undertaken at, or on behalf of the College will amount to "regulated activity" if it is carried out:

- frequently, meaning once a week or more; or
- overnight, meaning between 2.00 am and 6.00 am; or

- satisfies the "period condition", meaning four times or more in a 30 day period; and
- provides the opportunity for contact with children.

Roles which are carried out on an unpaid / voluntary basis will only amount to regulated activity if, in addition to the above, they are carried out on an unsupervised basis.

It is for the College to decide whether a role amounts to "regulated activity" taking into account all the relevant circumstances. However, nearly all posts at the College amount to regulated activity. Limited exceptions could include an administrative post undertaken on a temporary basis in the College office outside of term time or voluntary posts which are supervised.

DBS Disclosure Certificate

The DBS issues a DBS disclosure certificate to the subject of the check only, rather than to the College. It is a condition of employment with the College that the **original** disclosure certificate is provided to the College within two weeks of it being received by the applicant. Original certificates should not be sent by post. Employment will remain conditional upon the original certificate being provided and it being considered satisfactory by the College.

If there is a delay in receiving a DBS disclosure the Head or the COO has discretion to allow an individual to begin work pending receipt of the disclosure. This will only be allowed if all other checks, including a clear check of the Children's Barred List (where the position amounts to regulated activity), have been completed and once appropriate supervision has been put in place. In these cases, a Risk Assessment will be completed and approved prior to the individual starting work. The Risk Assessment will be reviewed at least fortnightly, to ensure that it is still accurate and valid until the DBS certificate is seen.

Applicants with periods of overseas residence

DBS checks will still be requested for applicants with recent periods of overseas residence and those with little or no previous UK residence. The College will take into account the "DBS unusual addresses guide" in such circumstances.

For applicants who are living overseas, or who have lived overseas previously, obtaining a DBS certificate may be insufficient to establish their suitability to work at the College. In such cases the applicant will be required to provide additional information about their suitability from the country (or countries) in which they have lived.

The College's policy is to request such information from each overseas country in which the applicant has lived for a period of three months or more in the previous five years. When requesting such information the College has regard to relevant government guidance and will therefore always require the applicant to apply for a formal check from the country in question i.e. a criminal records check (or equivalent) or a certificate of good conduct.

The College recognises that formal checks are not available from some countries, that they can be significantly delayed or that a response may not be provided. In such circumstances the College will seek to obtain further information from the country in question, such as a reference from any employment undertaken in that country.

In addition, where an applicant for a teaching position has worked as a teacher outside of the UK, the College will ask the applicant to obtain from the professional regulating

authority of the teaching profession in each country in which they have worked as a teacher, evidence which confirms that they have not imposed any sanctions or restrictions on the applicant and that they are not aware of any reason why the applicant may be unsuitable to work as a teacher. The College will also ask shortlisted applicants (and their referees) to disclose whether they have ever been referred to, or are the subject of a sanction issued by, the regulator of the teaching profession in the countries in which they have carried out teaching work.

Sanctions and restrictions issued by the regulating authority of another country will not prevent a person from working as a teacher at the College. However, the College will take all relevant information into account in determining whether an applicant is suitable to work at the College.

The College may allow an applicant to commence work pending receipt of a formal check from a particular country if it has received a reference and/or letter of professional standing from that country and considers the applicant suitable to start work. Decisions on suitability will be based on all of the information that has been obtained during the recruitment process. Unless expressly waived by the College, continued employment will remain conditional upon the College being provided with the outcome of the formal check and it being considered satisfactory.

If no information is available from a particular country the College may allow an applicant to commence work if they are considered suitable based on all of the information that has been obtained during the recruitment process.

The College will take proportionate risk based decisions on a person's suitability in these circumstances. All suitability assessments must be documented and retained on file. If the formal check is delayed and the College is not satisfied about the applicant's suitability in the absence of that information, the applicant's proposed start date may be delayed until the formal check is received.

Prohibition from teaching check (s.142)

The College is required to check whether staff who carry out "teaching work" are prohibited from doing so. The College uses the Teaching Regulation Agency Teacher Services system to check whether successful applicants are the subject of a prohibition, or interim prohibition order issued by a professional conduct panel on behalf of the Teaching Regulation Agency.

In addition the College asks all shortlisted applicants to declare whether they have ever been referred to, or are the subject of a sanction, restriction or prohibition issued by, the Teaching Regulation Agency or other equivalent body in the UK.

Where an applicant is not currently prohibited from teaching but has been the subject of a referral to, or hearing before, the Teaching Regulation Agency (or other equivalent body), whether or not that resulted in the imposition of a sanction, or where a sanction has lapsed or been lifted, the College will consider whether the facts of the case render the applicant unsuitable to work at the College.

The College applies the definition of "teaching work" set out in the Teachers' Disciplinary (England) Regulations 2012, which state that the following activities amount to "teaching work":

- planning and preparing lessons and courses for pupils;

- delivering lessons to pupils;
- assessing the development, progress and attainment of pupils; and
- reporting on the development, progress and attainment of pupils.

The above activities do not amount to "teaching work" if they are supervised by a qualified teacher or other person nominated by the Head. If in any doubt or if the applicant has taught previously, or may teach in future, the check will be undertaken, including for sports coaches.

Prohibition from management check (s.128)

The College is required to check whether any applicant for a management position is subject to a direction under section 128 of the Education and Skills Act 2008 which prohibits, disqualifies or restricts them from being involved in the management of an independent College (**a section 128 direction**).

The College will carry out checks for section 128 directions when appointing applicants into management positions from both outside the College and by internal promotion.

This check applies to appointments to the following positions made on or after 12 August 2015:

- Head;
- All posts on the Senior Management Team (whether teaching or support staff); and
- teaching posts which carry a departmental head role.

All individuals who are appointed to the governing body will be subject to a section 128 direction check.

The relevant information is contained in the enhanced DBS disclosure certificate (which the College obtains for all posts at the College that amount to regulated activity). It can also be obtained through the Teaching Regulation Agency Teacher Services system. The College will use either, or both, methods to obtain this information.

In addition the College asks all shortlisted applicants to declare whether they have ever been the subject of a referral to the Department for Education, or are subject to a section 128 direction or any other sanction which prohibits, disqualifies or restricts them from being involved in the management of an independent College.

Where an applicant is not currently prohibited from management but has been the subject of a referral to, or hearing before, the Department for Education or other appropriate body, whether or not that resulted in the imposition of a section 128 direction or other sanction, or where a section 128 direction or other sanction has lapsed or been lifted, the College will consider whether the facts of the case render the applicant unsuitable to work at the College.

Disqualification from acting as a charity trustee or senior manager

Background

Under the Charities Act 2011 it is a criminal offence for a person to act as a trustee or senior manager of a charity when disqualified from doing so. The Charities Act 2011 sets out the grounds on which a person can be disqualified from acting as a trustee or senior manager. These include various spent and unspent criminal offences and other sanctions.

Who is covered

A person is considered to be a charity trustee if they are one of the people who have general control and management of the administration of the charity. In an independent school the trustees will typically be the governors of the school.

Senior managers include those employees who report directly to the charity trustees or have responsibility for the overall management and control of the charity's finances. At the College the disqualification rules will be applicable to all governors, the Head / Principal, Bursar and potentially other senior staff who report directly to the governors.

There is no single list or register that covers all of the disqualification criteria and the College therefore adopts a pragmatic approach to checking whether a person is disqualified. This is achieved by the use of a self-declaration form and the checking of relevant publically accessible registers.

Self-declaration

All those who are covered by the disqualification rules are required to complete a self-declaration form to confirm whether, to the best of their knowledge, they are subject to any of the disqualification criteria.

A failure to disclose relevant information, or the provision of false information, which subsequently comes to the College's attention may result in the termination of an appointment as a governor or senior manager or the withdrawal of an offer of employment and may also amount to a criminal offence.

All those who are required to complete a self-declaration form are also under an ongoing duty to inform the College if there is a change in their circumstances that results or may result in them becoming disqualified from acting as a governor or senior manager.

Checks by the College

To ensure that it has accurate and up to date information the College will also check the following registers in respect of each governor and senior manager who is already in post or is appointed in future:

- the Bankruptcy and Insolvency Register;
- the register of disqualified directors maintained by Companies House; and
- and the register of persons who have been removed as a charity trustee.

Waiver

A person who discloses that one or more of the disqualification criteria is applicable to them may apply to the Charity Commission for a waiver of the disqualification.

The College may at its absolute discretion withdraw an offer of employment for a senior manager or cease or terminate an appointment to the governing body if a waiver application becomes necessary or is rejected by the Charity Commission. The College is under no obligation to await the outcome of a Charity Commission waiver application before taking such action.

Medical fitness

The College is legally required to verify the medical fitness of anyone to be appointed to a post at the College, after an offer of employment has been made but before the appointment can be confirmed.

It is the College's practice that all applicants to whom an offer of employment is made must complete a Health Questionnaire. The College will arrange for the information contained in the Health Questionnaire to be reviewed by the College's medical advisor. This information will be reviewed against the Job Description and the Person Specification for the particular role, together with details of any other physical or mental requirements of the role i.e. proposed timetable, extra-curricular activities, layout of the College etc.

If the College's medical advisor has any doubts about an applicant's fitness the College will consider reasonable adjustments in consultation with the applicant. The College may also seek a further medical opinion from a specialist or request that the applicant undertakes a full medical assessment.

The College is aware of its duties under the Equality Act 2010. No job offer will be withdrawn without first consulting with the applicant, obtaining medical evidence, considering reasonable adjustments and suitable alternative employment.

Contractors and agency staff

The College must complete the same checks for contractors and their employees undertaking regulated activity at the College as it does for its own employees. The College requires written confirmation from the contractor that it has completed these checks on all of those individuals, including name, checks and dates, whom it intends will work at the College before any such individual can commence work at the College.

Agencies who supply staff to the College must also complete the pre-employment checks which the College would otherwise complete for its staff. Again, the College requires confirmation that these checks have been completed before an individual can commence work at the College.

The College will independently verify the identity of individuals supplied by contractors or an agency as set out above and requires the provision of the DBS disclosure certificate before those individuals can commence work at the College.

Volunteers

The College will request an enhanced DBS disclosure and Children's Barred List information on all volunteers undertaking regulated activity with pupils at or on behalf of the College (the definition of regulated activity set out above will be applied to all volunteers).

The College may request an enhanced DBS disclosure without Children's Barred List check on all volunteers who do not undertake regulated activity. This is likely to be because their volunteering duties are subject to regular, day to day supervision by a fully checked member of staff or by a volunteer who the College has deemed appropriate to supervise and ensure the safety of those pupils in their care.

Under no circumstances will the College permit an unchecked volunteer to have unsupervised contact with pupils.

It is the College's policy that a new DBS certificate is required for volunteers who will engage in regulated activity but who have not been involved in any activities with the College for three consecutive months or more. Those volunteers who are likely to be involved in activities with the College on a regular basis may be required to sign up to the DBS update service as this permits the College to obtain up to date criminal records information without delay to each new activity in which a volunteer participates.

In addition, the College will seek to obtain such further suitability information about a volunteer as it considers appropriate in the circumstances. These may include (but not be limited to):

- formal or informal information provided by staff, parents and other volunteers;
- character references for the volunteer's place of work or any other relevant source; and
- an informal safer recruitment interview

Visiting Speakers and the Prevent Duty

The Prevent Duty Guidance requires the College to have clear protocols for ensuring that any visiting speakers, whether invited by staff or pupils, are suitable and appropriately supervised.

The College is not permitted to obtain a DBS disclosure or Children's Barred List information on any visiting speaker who does not engage in regulated activity at the College or perform any other regular duties for, or on behalf of, the College.

All visiting speakers will be subject to the usual visitors protocol which will include signing in and out, the wearing of a visitors badge at all times and being escorted by a fully vetted member of staff between appointments.

The College will also obtain such formal or informal background information about a visiting speaker as is reasonable in the circumstances to decide whether to invite and/or permit a speaker to attend the College. In doing so, the College will always have regard to the usual visitors' protocol, the Prevent Duty Guidance, the College's Visiting Speaker Policy and the definition of "extremism" set out in KCSIE which states:

Extremism is the vocal or active opposition to our fundamental values, including democracy, the rule of law, individual liberty and the mutual respect and tolerance of different faiths and beliefs. This also includes calling for the death of members of the armed forces.

In fulfilling its Prevent Duty obligations, the College does not discriminate on the grounds of race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital or civil partner status, disability or age.

Policy on recruitment of ex-offenders

Background

The College will not unfairly discriminate against any applicant for employment on the basis of conviction or other details disclosed. The College makes appointment decisions on the basis of merit and ability. If an applicant has a criminal record this will not automatically bar them from employment with the College. Each case will be decided on its merits in accordance with the objective assessment criteria set out below.

All positions within the College are exempt from the provisions of the Rehabilitation of Offenders Act 1974. All applicants must therefore declare all previous convictions and cautions, including those which would normally be considered "spent" except those received for an offence committed in the United Kingdom if it has been filtered in accordance with the DBS filtering rules (see above).

A failure to disclose a previous conviction (which should be declared) may lead to an application being rejected or, if the failure to disclose is discovered after employment has started, may lead to summary dismissal on the grounds of gross misconduct. A failure to disclose a previous conviction may also amount to a criminal offence.

It is unlawful for the College to employ anyone who is barred from working with children. It is a criminal offence for any person who is barred from working with children to apply for a position at the College. The College will make a report to the police and / or the DBS if:

- it receives an application from a barred person
- it is provided with false information in, or in support of an applicant's application; or
- it has serious concerns about an applicant's suitability to work with children.

Assessment criteria

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the College will consider the following factors before reaching a recruitment decision:

- whether the conviction or other matter revealed is relevant to the position in question
- the seriousness of any offence or other matter revealed
- the length of time since the offence or other matter occurred
- whether the applicant has a pattern of offending behaviour or other relevant matters
- whether the applicant's circumstances have changed since the offending behaviour or other relevant matters; and
- the circumstances surrounding the offence and the explanation(s) offered by the applicant.

If the post involves regular contact with children, it is the College's normal policy to consider it a high risk to employ anyone who has been convicted at any time of any the following offences:

- murder, manslaughter, rape, other serious sexual offences, grievous bodily harm or other serious acts of violence; or
- serious class A drug related offences, robbery, burglary, theft, deception or fraud.

If the post involves access to money or budget responsibility, it is the College's normal policy to consider it a high risk to employ anyone who has been convicted at any time of robbery, burglary, theft, deception or fraud.

If the post involves some driving responsibilities, it is the College's normal policy to consider it a high risk to employ anyone who has been convicted of drink driving within the last ten years.

Assessment procedure

In the event that relevant information (whether in relation to previous convictions or otherwise) is volunteered by an applicant during the recruitment process or obtained through a disclosure check, the College will carry out a risk assessment by reference to the criteria set out above. The assessment form must be signed by the COO, for operational staff and the Head for teaching staff before a position is offered or confirmed.

If an applicant wishes to dispute any information contained in a disclosure, they may do so by contacting the DBS. In cases where the applicant would otherwise be offered a position were it not for the disputed information, the College may, where practicable and at its discretion, defer a final decision about the appointment until the applicant has had a reasonable opportunity to challenge the disclosure information.

Retention and security of disclosure information

The College's policy is to observe the guidance issued or supported by the DBS on the retention and use of disclosure information.

Whistleblowing and exit interviews

All staff are expected and encouraged to raise concerns they have, whether related to the safeguarding and welfare of pupils, the conduct of staff or other matters, during the course of their employment in accordance with the College's policies (including the Whistleblowing Policy, the Safeguarding Policy and the Staff Code of Conduct). All staff receive training so that they understand the College's expectations. Safeguarding children is at the centre of the College's culture and is accordingly considered formally during staff performance development reviews and appraisal and finally at an exit interview which is held with all leavers.]

Referrals to the DBS and Teaching Regulation Agency

This policy is primarily concerned with the promotion and practice of safer recruitment. However, applicants should also be aware that the College has legal responsibilities to fulfil when employment comes to an end. In particular, the College has a legal duty to make a referral to the DBS where:

- an individual has applied for a position at the College despite being barred from working with children; and / or
- an individual has been removed by the College from working in regulated activity (whether paid or unpaid), or has resigned prior to being removed, because they have harmed, or pose a risk of harm to, a child.

The DBS will consider whether to impose sanctions on that individual which may restrict or prevent them from working with children in future.

In addition, if a teacher is dismissed because they are found to have committed serious misconduct, or they have breached the Teachers' Standards, or they resign prior to dismissal on such grounds, the College will make a referral to the Teaching Regulation Agency.

The Teaching Regulation Agency will consider whether to impose a prohibition from teaching order.

Queries

If an applicant has any queries on how to complete the application form or any other matter they should contact the Human Resources Department.
