Asia Cup 2025

Dear Parents and Guardians

Independent Schools Travel have extended an invitation to Malvern College and our international schools to take part in the inaugural Asia Cup – a ski festival to include tuition and some competitive racing (this is not obligatory if some want to just ski!) in Japan.

The Asia Cup is a new initiative by the organisation that has run the Canada Cup for many years in which 12 UK Independent Schools and 3-4 USA schools participate. At this stage only two other UK schools and their overseas schools are being invited, to what will hopefully be a successful event and one which builds into the future.

The itinerary would be as follows:

- Sat 15th February – Fly to Tokyo and travel to resort.
- Opening Ceremony followed by 6 days skiing including racing on final day
- Closing Ceremony and Gala Dinner
- Return to Tokyo
- There may be the opportunity to postpone the return by 24 hours and be hosted by Malvern College, Tokyo.
- Sat/Sun 22nd/23rd – return flights to UK.

The Independent Schools Travel organisation have selected Shiga Kogen (an extensive resort) as the venue and the Prince Hotel for 7 nights half board accommodation with lunches included on the mountain. All ski pass and equipment is included in the price. The cost of this trip is estimated to be approximately £3,250.

At present I am trying to gauge a level of interest in this, so please do contact me (chris.thomas@malverncollege.org.uk) if you would like further information. If we get enough interest (at least 10 students), then a non-refundable (unless a replacement is found) deposit of £600 will be required.

Yours sincerely

Chris Thomas
