**Transform their world**

## **GENERAL SCHOLARSHIP PAPER 2022**

### **45 minutes**

Please spend 10 -15 minutes planning your answer before you start writing your essay.

Please note that the quality of your thinking and communication matters more than the length of your answer.

**Write an essay in answer to any ONE of the questions below:**

1. Do the internet and social media pose a threat to democracy?
2. What would happen to the Earth if humanity suddenly died out completely?
3. What role does religion have in a modern, rational, and scientific world?
4. To what extent do people have personal freedom?
5. Is disruptive protest ever justified?
6. Should governments provide money to support the Arts and artists?
7. What would be the results of the Earth suddenly doubling in diameter?
