MALVERN  
COLLEGE

As Head of Admissions, I'm delighted to welcome you to our Prep School Engagement Programme, created for children in Years 5–8 and their families to experience life at Malvern College.

We believe that choosing the right senior school should be a considered and unhurried journey, with opportunities to explore, ask questions and build genuine connections along the way.

Through experiences such as Discovery Day and Adventure Day, children can embrace new challenges, demonstrate the qualities we value and enjoy memorable experiences with their peers.

Whether families are beginning to consider senior school or simply getting to know our community, we hope this programme offers a warm and authentic introduction to Malvern College.

Yours,

**Mrs Kelly Rogers**  
Head of Admissions
