MALVERN

Malvern College and The Downs Malvern are proud to be able to offer a generous fee remission to children whose parents are serving members of HM Forces. Service remissions are automatically awarded to those families who are eligible for the CEA, meaning that they will only ever pay a parental contribution of 10% of the gross full boarding fee at the College. At The Downs Malvern, they will pay no more than £920 per term.

Fees shown are for the 2026/27 academic year and are inclusive of VAT.
